Sommario/riassunto	This global report updates the current knowledge of the status and progress of maternity legislation around the world, providing a comprehensive review of national legislative provisions for maternity protection in 167 member States, with a particular focus on how well countries' provisions conform to the ILO Maternity Protection Convention, 2000 (No. 183), and its accompanying Recommendation (No. 191). The first section analyses three key aspects of maternity leave provisions: the duration, the cash benefit paid and the source of

the funding. The second part of the report covers other kinds
