| Sommario/riassunto | The only volume on higher education law written specifically for nursing faculty, this volume imparts the basic foundations of the legal, professional, and ethical issues that concern faculty on a daily basis. It clearly defines the legal rights of students, professors, and educational institutions along with the case laws supporting those rights. Each chapter contains a vivid legal scenario, related legal principles and theoretical foundations, and critical thinking questions. Written by an author who is both a nurse educator and attorney, the volume |
