The Formation of the Loyalist Volunteer Forces; 7. The Militia and Voulneteer Forces in Action; Conclusion; Notes; Works Cited; Index
Sommario/riassunto	The military aspects of the Jacobite campaigns in eighteenth-century Britain are considered in this study. Taken from the viewpoint of those loyal to the Hanoverian Crown, the three mainland campaigns of 1715-6, 1719 and 1745-6 are examined, using research based on primary sources: memoirs, diaries, letters, newspapers and State papers.
