Sommario/riassunto	""[A] lucid discussion of race that does not sell out the black experience."" -- Tommy Lott, author of The Invention of Race Revealing Whiteness explores how white privilege operates as an unseen, invisible, and unquestioned norm in society today. In this personal and selfsearching book, Shannon Sullivan interrogates her own whiteness and how being white has affected her. By looking closely at the subtleties of white domination, she issues a call for other white people to own up to their unspoken
