This Side of Good and Evil: A German Story; Notes; Index
Sommario/riassunto	""This book will provoke intellectually, ideologically, and emotionally loaded responses in the U.S., Germany, and Israel. Barnouw's critique of the 'enduringly narrow post-Holocaust perspective on German guilt and the ensuing fixation on German remorse' questions taboos that the political and cultural elites in those three countries would rather leave alone.... [Barnouw] makes us understand why the maintenance of a privileged memory of the Nazi period and World War II may not survive much longer."" --
