Nota di contenuto	pt. 1. Health systems -- pt. 2. Healthcare services -- pt. 3. Healthcare organizations -- pt. 4. Healthcare management and leadership.
Sommario/riassunto	Healthcare Management, second edition provides a comprehensive, research-based introduction to healthcare management. Designed for postgraduate students, healthcare professionals and practising managers, the book takes an international perspective and draws links between the theory and practice of healthcare management and how best practice might be achieved within healthcare systems.
