Sommario/riassunto

"A lot of people are starting to use the Internet to reconnect themselves to their neighborhood, their community, and the world. The Power of Many is a great survey of the way this is really being accomplished by many individuals working together."-Craig Newmark, founder of craigslist.org "What a fascinating topic. If you're interested in the future, the past, or the present, then you should read this book."-Scott Heiferman, Co-Founder of Meetup.com and Fotolog.net The development of social networks on the Web touches countless aspects of our everyday lives. With instant
