Sommario/riassunto

This comprehensive history provides a fresh interpretation of Southeast Asia from 100 to 1500, when major social and economic developments foundational to modern societies took place on the mainland (Burma, Thailand, Cambodia, and Vietnam) and the island world (Indonesia, Malaysia, and the Philippines). Incorporating the latest archaeological evidence and international scholarship, Kenneth R. Hall enlarges upon prior histories of early Southeast Asia that did not venture beyond 1400, extending the study of the region to the Portuguese seizure of Melaka in 1511. Written for a wide audience of no
