Sommario/riassunto	This book, stimulated by Andrew Kirk's mission theology, explores current reflections on a wide range of issues including: poverty and injustice, environmentalism, secularism, the place of scripture in a pluralist culture, science and faith, liberation theology, oppression and reconciliation, and much more. Kirk's influence and reputation is international and the Latin American mission has been especially enriched by his innovative thinking on revolutionary politics, contextualisation and holistic mission. This is an indispensable resource of up-to-date missiological reflections for all involv
