Sommario/riassunto	This study of Boston's West Indian immigrants examines the identities, goals, and aspirations of two generations of black migrants from the

British-held Caribbean who settled in Boston between 1900 and 1950. Describing their experience among Boston's American-born blacks and in the context of the city's immigrant history, the book charts new conceptual territory. The Other Black Bostonians explores the pre-migration background of the immigrants, work and housing, identity, culture and community, activi
