Age and ethnicity / Sharon Koehn and Karen Kobayshi -- ; 8. Disability and age discrimination / Gabrielle Mastin and Mark Priestly -- ; 9. New approaches for understanding inequalities in service use among older people / Sara Allin and Jose-Luis Fernandez.
	Sommario/riassunto	This volume of essays is concerned with the discrimination against

older people that results from a failure to recognise their diversity. By considering the unique combinations of discrimination that arise from the interrelationship of age and gender, pensions, ethnicity, sexual orientation, socio-economic class and disability, the contributors demonstrate that the discrimination suffered is multiple in nature. It is the combination of these characteristics that leads to the need for more complex ways of tackling age discrimination.
