Sommario/riassunto	Sex and religion are inevitably and intricately linked. There are few realms of human experience other than sex in which religion has greater reach and influence. The role of religion, of any faith, to prohibit, regulate, condemn, and reward, is unavoidably prominent in questions of sex-namely with whom, when, how, and why. In Sex and Religion, Dag Øistein Endsjø examines the myriad and complex religious attitudes towards sex in cultures throughout the world. Endsjø reflects on some of the most significantly problematic areas in the relationship between sex
