Sommario/riassunto	Iceland is an enigmatic island country marked by contradiction: it's a

part of Europe, yet separated from it by the Atlantic Ocean; it's seemingly inhospitable, yet home to more than 300,000. *Wasteland with Words* explores these paradoxes to uncover the mystery of Iceland. In *Wasteland with Words* Sigurdur Gylfi Magnusson presents a wide-ranging and detailed analysis of the island's history that examines the evolution and transformation of Icelandic culture while investigating the literary and historical factors that created the rich cultural heritage enjo
