Cultural War; 9. Beyond Intention: A Critique of the "Normal" Criminal Agency, Responsibility, and Punishment in American Death Penalty Jurisprudence; 10. The Cultural Life of Capital Punishment: Responsibility and Representation in *Dead Man Walking* and *Last Dance*; Index;

Sommario/riassunto

Collecting work by several notable scholars, this book explains why the US still clings to capital punishment long after other democratic nations have abandoned it. It also exhibits a new way of thinking about state killing that goes beyond abstract moral argument and narrow policy debate to assess its impact on our legal system, its powerful symbolic appeal, and its place in today's "culture wars."
