Sommario/riassunto

Relationships and alignments among the nations of the world's most populous and productive region, the Asia Pacific, are in flux. Current global political, economic and security uncertainty, heightened by 9/11 and the subsequent War on Terror, has fuelled a reassessment by many Asia Pacific nations about the structure and form of future economic and political cooperation and development. Featuring contributions from some of the most eminent and influential economists and political scientists in the Asia Pacific region, this book explores the forces reshaping the Asia Pacific e
