Sommario/riassunto	This sequel to the First Person Singular volumes published in 1980 and

1991, respectively (SiHoLS 21 and 61) presents autobiographical accounts by major North American linguists. This material provides an important primary source for the history and development of the discipline during the 20th century. The volume includes photographs of all contributors and is completed by a full index of biographical names and a detailed index of subjects and languages which turn it into a useful research tool.
