Sommario/riassunto	This book traces the history of the romance through the turbulent history of twentieth-century women in France. It offers a compelling analysis not only of the mass-market or popular romance, but also of the bestselling 'middlebrow' novel, and of 'literary' romances by authors including Colette, Simone de Beauvoir, and their contemporary successors. - ;Romance in modern times is the most widely read yet the most critically despised of genres. Associated almost entirely with women, as readers and as writers, its popularity has been argued by gender traditionalists to confirm women's innate sent
