Sommario/riassunto	In this groundbreaking book, Ken Parille seeks to do for nineteenth-century boys what the past three decades of scholarship have done for girls: show how the complexities of the fiction and educational materials written about them reflect the lives they lived. While most

studies of nineteenth-century boyhood have focused on post-Civil War male novelists, Parille explores a broader archive of writings by male and female authors, extending from 1830-1885. Boys at Home offers a series of arguments about five pedagogical modes: play-adventure, corporal punishment, symp

2. Record Nr.	UNINA9910711667403321
