| Sommario/riassunto | "The Challenge of Bergsonism explores how Bergsonism questions our ways of thinking, particularly the concept of reality, and ultimately demands a return to ethics. The book also includes the first English translation of Jean Hyppolite's highly influential essay, Various Aspects of Memory in Bergson."--Bloomsbury Publishing The Challenge of Bergsonism explores how Bergsonism questions our ways of thinking, particularly the concept of reality, and ultimately demands a return to ethics. The book also includes the first English translation of Jean Hyppolite's highly influential essay, "Various Aspects |
