Sommario/riassunto	Perspectives on Barry Hannah is a collection of essays devoted to the work of the award-winning fiction writer Barry Hannah. The anthology

features a broad range of critical approaches and covers the span of Hannah's career from *Geronimo Rex* (1972) to *Yonder Stands Your Orphan* (2001). The book also includes a previously unpublished interview with Hannah. The ten essays cover all of Hannah's thirteen published books. The contributors give fresh perspectives on Hannah's classic works (*Airships* and *Ray*), provide illuminating readings of important fiction that has received less critical attention
