Nota di contenuto	The decision to become a writer -- Education and the writer -- Getting published -- Publicity -- Employment for writers -- The writer's life.
Sommario/riassunto	The Creative Writer's Survival Guide is a must-read for creative-writing students and teachers, conference participants, and aspiring writers of every stamp. Directed primarily at fiction writers but suitable for writers of all genres, John McNally's guide is a comprehensive, take-no-prisoners blunt, highly idiosyncratic, and delightfully subjective take on the writing life.
