Sommario/riassunto	'Jane Austen was an astute observer of people and relationships and she describes and obviously knew people who today could have been referred to a clinician for a diagnostic assessment for Asperger's syndrome.'. - from the Foreword by Tony Attwood, author of Asperger's Syndrome and The Complete Guide to Asperger's Syndrome. 'Phyllis Ferguson Bottomer has given us a treasure… We shall always appreciate these new insights into the personalities and behaviour of the people in the novel, and this reinforcement of our belief in the genius of Austen's characterizations.'. from the Foreword b
