Blaming the Organization; 5. The Empires Strike Back; 6. Blame Government; 7. I'm Sorry; 8. From Blame to Restoration; A Final Thought: The Trouble with Blame; References; Bibliography; Acknowledgements; Index
Sommario/riassunto	Whenever anything goes wrong our first instinct is often to find someone to blame. Blame infuses our society in myriad ways, seeding rancor and revenge, dividing lovers, coworkers, communities, and nations. Yet blame, appropriately placed and managed, safeguards moral order and legal culpability. In this book, Stephen Fineman explores this duality inherent in blame, taking us on a fascinating journey across blame's sometimes bitter-sometimes just-landscape. Fineman focuses on blame's roots and enduring manifestations, from the witch hunts of the past to today's more buttoned-up scape

2. Record Nr.	UNINA9910458202803321

Sommario/riassunto	An excellent introduction to the complicated issues of language reconstruction, this concise guide explores languages that are no longer spoken or those that are spoken by only a few people. Each contributor works through some of the complex issues vital to language workers in an accessible, easy-to-read style, and exercises throughout the book provide immediate ways to put the ideas into practice and experience the rewards and frustrations of this kind of language work.
