Titolo

The Soveraignty of kings: or An absolute answer and confutation of that groundlesse vindication of Psalme 105. 15. (Touch not mine annoynted, and doe my prophets no harme) from some traiterous exposition of schismaticks [[electronic resource]] : declaring to the world, that this was spoken principally and peculiarly of kings, and not of inferiour subjects, being spoken of Abraham, Isaac and Jacob, as they were patriarchs and rulers of the people. Also some doubts and scruples of tender consciences concerning these times of distraction, fully resolved, &c
