Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. 163-169) and index.
Nota di contenuto	Is Roe viable? -- Liberty, equality, and abortion -- From reproductive choice to reproductive Barbie : the politics of visibility -- Conclusion: Abortion and democracy.
Sommario/riassunto	This volume argues that 'Roe v Wade's' regulatory scheme of a six-month time span for abortion on demand polarized the public and obscured alternatives with potentially broader support. The author explores the origins of that scheme, then defends an alternate one.
