The Transition to Plantation Slavery: The Case of the British West Indies; Publication History; Index; About the Author
Sommario/riassunto	The Economic Consequences of the Atlantic Slave Trade places the sugar/slave/plantation complex of the British West Indies at the center of the Atlantic trading system, uniting the economies of western Europe, Africa, North America, and the Caribbean, and leading to the Industrial Revolution in England. It will interest teachers and scholars of Atlantic history, Africa, the British Empire, New England, the Industrial Revolution, abolition, and emancipation.
