Nota di contenuto	Cover; Table of Contents; Introduction; 1 - People; 2 - Gender; 3 - Flexibility; 4 - Groups; 5 - Learning; 6 - Creativity; Some Final, Final Words; Internet Appendix; Bibliography; Index
Sommario/riassunto	Individuals and Groups in Organizations guides student and practitioners alike through the maze of approaches to the way people interact in organizational life. The authors provide a clear framework for analysing the role of the individual in the group, the group in organization, and the organization in the environment. Turniansky and Hare have organized the text around six topics central to those who manage in organizations: people, gender, flexibility, groups, learning and creativity. Central themes are explained and analyses with reference to current case examples,
