Sommario/riassunto	Egalitarianism, the view that equality matters, attracts a great deal of attention amongst contemporary political theorists. And yet it has turned out to be surprisingly difficult to provide a fully satisfactory

egalitarian theory. The cutting-edge articles in Egalitarianism move the debate forward. They are written by some of the leading political philosophers in the field. - ;Egalitarianism, the view that equality matters, attracts a great deal of attention amongst contemporary political theorists.
