Sommario/riassunto	'&hellip;[A]n excellent and timely publication. It is clearly written despite the difference in authors and is consistent in style and presentation. &hellip;very comprehensive covering areas that would normally be missed with PQ such as loss and the strategic approach to

PQ.'. - Graham Ixer, Head of Social Work Education, the General Social Care Council (GSCC). 'This is a much-needed book on this increasingly important area of social work education and practice. It provides essential material for those studying on post-qualifying programmes, highlighting a wide range of practice areas, [and is
