Strukturgenetische Sozialisationsforschung -- 4. Qualitative Sozialforschung und die Wahl der Dokumentarischen Methode -- 5. Forschungsdesign und Datenerhebung der Vorlesestudie -- 6. Datenanalyse -- 7. Diskussion der Ergebnisse -- 8. Fazit und Ausblick -- Literatur
Sommario/riassunto	How do digital media change the way we read aloud, a key cultural tool for reading socialization? This qualitative study focuses on this central question. Using the structural-genetic approach to socialization research, the book analyzes the reading-aloud practices of eight families from data obtained through videography. Of particular interest

is the impact of the digital picture book on the interactional structure of reading aloud.
