Eugenics in Brazil, 1917-1940; 5. Eugenics in Russia, 1900-1940; 6. Towards a Comparative History of Eugenics; Name Index; Subject Index
Sommario/riassunto	The four contributors to this volume examine the eugenic movements in Germany, France, Brazil, and the Soviet Union. The scientific components of those programmes are considered alongside the social, religious, and political forces which have altered their original scientific goals.
