The eighteen-forties -- section 6. The eighteen-fifties -- section 7. The eighteen-sixties -- section 8. The eighteen-seventies.
Sommario/riassunto	Atlanta and Environs is, in every way, an exhaustive history of the Atlanta Area from the time of its settlement in the 1820's through the 1970's. Volumes I and II, together more than two thousand pages in length, represent a quarter century of research by their author, Franklin M. Garrett a man called "a walking encyclopedia on Atlanta history" by the Atlanta Journal-Constitution. With the publication of Volume III, by Harold H. Martin, this chronicle of the South's most vibrant city incorporates the spectacular growth and enterprise that have characterized Atlanta in recent decades.
