Sommario/riassunto	This e-book present highlights from the EABIS 5th Annual Colloquium on "Corporate Sustainability, Strategic Management and the Stakeholder View of the Firm". The papers selected - authored by some of the world's leading strategy scholars and practitioners - present fascinating, often challenging perspectives and insights in this debate on the value and importance of strategic stakeholder management. To mirror the theoretical-conceptual framework used at the Milan Colloquium, they are organized into five main sections and a closing
