| Sommario/riassunto | Nearly ninety years ago, on 31st July 1917, the small Belgian village of Passchendaele became the focus for one of the most gruelling, bloody and bizarre battles of World War 1. By 6th November, when Passchendaele village and the ridge were captured, over half a million British, French, Canadians, Australians, New Zealanders and Germans had become casualties. Philip Warner, the noted historian of twentieth-century warfare and the author of over fifty books on military history, many published by Pen and Sword, has skilfully brought together all the elements of this horrific campaign - the histo |
