Sommario/riassunto

This monograph highlights the necessity for taking preventive measures in the form of peace-building as a sustainable and long-term solution to conflicts in West Africa, with a special focus on the Mano River Union countries. Apart from the Mano River Union countries, efforts at resolving other conflicts in say, Guinea Bissau, Senegal, Cote d'Ivoire and Nigeria, have suffered from a lack of attention on the post-conflict imperatives of building peace in order to ensure that sustainable peace is achieved. Given the often intractable and inter-related nature of conflicts in this region, it argue
