Sommario/riassunto	Cutting the Fuse offers a wealth of new knowledge about the origins of suicide terrorism and strategies to stop it. Robert A. Pape and James K. Feldman have examined every suicide terrorist attack worldwide from 1980 to 2009, and the insights they have gleaned from that data fundamentally challenge how we understand the root causes of terrorist campaigns today-and reveal why the War on Terror has been ultimately counterproductive. Through a close analysis of suicide

campaigns by Al Qaeda and other terrorist organizations in Iraq,
Afghanistan, Pakistan, Lebanon, Israel...
