Nota di contenuto	The changing role of state intervention in markets -- Article 81 EC -- Article 82 EC -- The regulation of state monopolies -- Liberalisation -- State aid -- Services of general economic interest -- Conclusion.
Sommario/riassunto	Looks at the changing role and nature of the regulation of State intervention in the liberalised and privatised markets of the European Union. This book examines how the traditional role of the State is challenged by European Union law, and the implications for traditional public services provided by the State.
