

1. Record Nr.	UNINA9910458702103321
Autore	Han Chang Dae
Titolo	Polymer processing [[electronic resource] /] / Chang Dae Han
Pubbl/distr/stampa	Oxford ; ; New York, : Oxford University Press, 2007
ISBN	0-19-756236-1 1-281-16266-3 0-19-804062-8 1-4356-0539-X
Descrizione fisica	1 online resource (598 p.)
Collana	Rheology and processing of polymeric materials ; ; 2
Disciplina	620.1/920423
Soggetti	Polymers - Rheology Polymers - Processing Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Previously issued in print: 2006.
Nota di bibliografia	Includes bibliographical references and indexes.
Nota di contenuto	Contents; Remarks on Volume 2; Part I: Processing of Thermoplastic Polymers; Part II: Processing of Thermosets; Author Index; Subject Index
Sommario/riassunto	Polymer Processing presents the fundamental approach to effectively analyse polymer processing operations of both thermoplastic polymers and thermosets.
