Sommario/riassunto	During the past four years, the countries of the European periphery - the so-called PIIGS (Portugal, Ireland, Italy, Greece and Spain) - have been experiencing an economic-financial crisis that can only be compared to the Great Depression. To solve the crisis, the EU and the IMF instituted bailout programs for the debit countries on conditions of austerity and structural reforms. In this volume, twenty social scientists - sociologists, political economists, political scientists, social demog...
