Sommario/riassunto	This book examines the important issue of British propaganda to France during the Second World War and aims to show the value of the propaganda campaign to the British war effort. British Propaganda to France is a unique contribution to the field, not only in its examination of one of the least well-studied areas of British activity during the Second World War but also in the breadth of its approach. It surveys the organisation, operation and nature of the British propaganda effort towards the French people, including both white propaganda (BBC broadcasts and leaflets dropped by the RAF) and b
