Sommario/riassunto	Students want to be trusted and challenged, even when it looks like they don't! Leadership gives them a sense that they have something to offer, and that their experiences can be useful and helpful to others. Even the most disruptive, difficult student is showing leadership qualities - it's just not in the right direction, yet. This book demonstrates that students have positive leadership abilities, and they can be taught how to use these abilities and then to teach others. Just as important, if not more so, these students make a difference in the classroom, in their school and in their local
