Sommario/riassunto

Between the covers, the book discusses the entire marketing communication package consisting of advertising, publicity, public relations, direct marketing and sales promotion. Apart from mass communication, person-to-person communication in the form of personal selling is also covered in sufficient details. The role of media and media planning has been elaborated. The working of advertising agencies too has been covered. Advertising copywriting both for print media and electronic media has been discussed. In short, this book is a very useful companion for those interested in advertising, commu
