Sommario/riassunto	The infancy narratives represent some of the most beautiful and intriguing passages in the Gospels. The stories they relate are also arguably the most well-known in the Christian tradition, from the child in the manger to the Magi paying homage to the infant Jesus. However there have been relatively few attempts to consider the stories of the

Nativity from modern academic perspectives, examining them from feminist perspectives, political standpoints, in cinematic representations as well as more standard but up-to-date academic approaches. New Perspectives on the Nativity attempts to redress thi
