Sommario/riassunto	Updated through the 2012 Olympics. In the second edition of The U.S. Women's Soccer Team, Clemente A. Lisi looks at how women's soccer has gained popularity over the last couple of decades, detailing the program's infancy and how it steadily became a model for women's teams around the globe. Beginning with the start of the U.S. program in 1985, Lisi recounts the development of the women's team, highlighted by their two first place finishes in the Women's Worl
