Sommario/riassunto	In modern times, Mass Media is one of the most vital sectors in any society or economy. Mass media can be used for various purposes, like

`advocacy1 for both business and social concerns. Enrichment and education - traditionally through performances like acting, music, and sports along with reading and Public Service announcements. Another aspect of Mass Media is mainstream media, which implies ability to transmit tacit knowledge, with a bias - political or otherwise, - towards favouring a certain individual outcome or resolution of an event. This view of central media can be contrasted with la
