Sommario/riassunto	The Republic of Ireland has won its status as a leading contributor to international peacekeeping operations, which has been its key 'foreign policy' since the 1960s. But why is Ireland so keen to be involved? This

new book asks and answers this and other key questions about Ireland's close involvement with the EU. It cannot simply be for charitable reasons, so is it because it is a neutral state or because it is a middle power? Overall, is Ireland's peacekeeping policy based on realism and liberalism? The characteristics of peacekeeping operations have changed significantly, especia
