Sommario/riassunto	This accessible and engaging book explores the ways that ""space, place, and sex"" are inextricably linked from the micro to the macro level, from the individual body to the globe. Drawing on queer, feminist, gender, social, and cultural studies, Lynda Johnston and Robyn Longhurst highlight the complex nature of sex and sexuality and how they are connected to both virtual and physical spaces and places. Their aim is to enrich our understanding of sexual identities and practices-whether they be lesbian, gay, bisexual, transsexual, asexual, queer, or heterosexual. They show that bodi
