Sommario/riassunto

From BoardSource comes The Handbook of Nonprofit Governance. This comprehensive resource explores the overarching question of governance within nonprofit organizations and addresses the roles, structures, and practices of an effective nonprofit. The Handbook of Nonprofit Governance covers the topics that are of most importance to those charged with creating and sustaining effective leadership, including building a board; succession planning; policies; financial oversight; fundraising; planning; strategic planning processes; risk management; and evaluation of the board, CEO, and
