Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	acknowledgments; introduction; 1; 2; 3; 4
Sommario/riassunto	Through an experimental interpretation of digital art, Sage Elwell offers a critical reflection on how digital technology is changing us and the world we live in at a level of religious significance. Employing a theological aesthetic of digital art, this book seeks to understand how the advent of digital technology as a revolutionary cultural medium is transforming the ways we think about God, the soul, and morality.
