Nota di contenuto Cover: Contents: Acknowledgements: Preface: Part I: Chapter 1: Chapter 2; Part II; Chapter 3; Chapter 4; Part III; Chapter 5; Chapter 6; Chapter 7; Notes; Bibliography; Index of References; Index of Names Sommario/riassunto This book applies the work of Noam Chomsky, Edward Herman, Edward Said and several others on international politics and the supportive role of the media, intellectuals and academics to contemporary Christian origins and New Testament scholarship. Part One looks at the ways in which New Testament and Christian origins scholarship has historically been influenced by its political and social settings over the past hundred years or so. Part Two looks at the Orientalist rhetoric of clashing civilisations and how this relates to the 'war on terror' and the

creation of Islam, Arabs, Middle East etc.
